“There are too many books about success that promote the idea that it’s easy, effortless and just a matter of a “positive mental attitude”. Trish Rechichi’s new book ... is a refreshing change.”

Barbara Etter WA Telstra Business Woman of the Year 2006

“Trish taught me to live my dream, to work on the things I believe in, and to believe in myself... She taught me that when you do that, you will always feel like a winner...”

Fred Mafrica, TV producer

“Trish Rechichi is a contributor to life.”

David Mead, writer & speaker

“Trish is one of those rare people who make the rest of us think about our plans, values and ethics.”

Steve Crew, Namara Consulting
